English, French, Hindi

RESEARCH WORK EXPERIENCE

SOCIO-CULTURAL BARRIERS TO OPEN DEFECATION (2017-2019)

I Worked as a field investigator. My responsibilities included data collection, analysis and report writing for the research project. The project's goal was to comprehend the issues of open defecation in rural parts of the State of Maharashtra, India and the socio-cultural barriers to open defecation. The project was in collaboration with a German NGO Non-water Sanitation and Department of Sociology, Savitribai Phule Pune University.

SOCIAL IMPACTS OF METRO RAIL IN PUNE CITY (2017-2018)

I worked as a field investigator. I studied and analyzed the social impact of the construction of the metro railway in Pune, India.

VILLAGE SNAPSHOT: SOCIAL AND FINANCIAL STUDY OF THE VILLAGES IN MAHARASHTRA (2018-2019)

I coordinated the field visits and my role included developing the questionnaire, assisting with data collection and documentation for the project. The project team analyzed different financial and social institutions that work in tandem to create the everyday life of the village.
